Title: VITA Free Tax Return Preparation

Option 1: VITA volunteer will prepare your tax return

A VITA volunteer will complete your tax return (income less than \$54000).

Option 2: Electronically file your own taxes for free using MyFreeTaxes software

This free tax preparation event will enable you to electronically file your federal and state income tax returns FOR FREE using tax software developed for the IRS sponsored “My Free Taxes” program. MyFreeTaxes (MyFreeTaxes.com) is available for free to individuals or families with tax-year 2015 income of \$62,000 or less, and have a valid e-mail address that they can check regularly. While you can use H&R Block’s “My Free Taxes” software on your own computer at home - you can also use ours at the library, with coaching from our tax-prep volunteers.

The MyFreeTaxes software will help you (if eligible) to obtain:

Withholding tax refund

Earned Income Tax Credit, Child Tax Credit, Education credits, other credits

A computer will be provided or you can bring your own laptop computer.

Volunteers will be available to provide help navigating the site and help with tax law questions.

Space is limited and **PRE-REGISTRATION IS RECOMMENDED** to insure that you can be served. To register contact:
